Dear Mr. Weisberg —

Thank You so very much for the books + Autographed by you to me — It was so very kind of you — + I shall treasure them always —

I see your thinking on Oswald — I agree on a general over-all basis. But — still have my doubts — in this (ACLU) particular instance. You should know better than I, however.

Have you considered sending a book to "Hugh Downs" NBC — "Today" show — He seems to glory in the opportunity to help some one — who is — anti-establishment)

Am behind on my reading + clipping — But — there hasn't been much to miss. Zero — Columbus papers — N.Y.T. only — Jos. Tonahill — Tax Evasion — deal (Carlin laughs) N.O. The T.P — might be of interest — So I enclose same.

I finished your book — + words are beyond describing my admiration for you —

My Sincerest Best Wishes

Lois Satfield
